

POLICE/SECURITY REQUIREMENT

At the discretion of the Student Center Department; a GTPD officer or approved security company can be required for any event held in the Exhibition Hall or West Village Dining Commons regardless of event time or expected attendance.

The officer will be required for the duration of the event. This requirement is in place for the safety and protection of Georgia Tech students, faculty, staff and visitors to the Institute.

The Georgia Tech Student Center Department will arrange for security and/or police. Security costs associated with the event will be added to each reservation and payment must be received prior to the start of each event.
