

Visitor Conduct

Institute visitors attending any event held in Exhibition Hall and West Village facilities are expected to be respectful and courteous to other guests and staff members. Excessive noise or other disruptive behavior will not be tolerated. Excessive guests past the room capacity will result in event being terminated. Staying past the reserved time could result in additional charges and future event cancellations. The Student Center staff reserve the right to immediately terminate any event deemed to be disruptive or unsafe in any way. Disruptive individuals will be removed from the facility and any outstanding events scheduled by the offending organization may be cancelled. Events terminated due to guest conduct will forfeit all deposits and payments.
